Presenter: Joanna Morris

12noon – 1pm. Fee: £30 + VAT (£36) members £40 + VAT (£48) non members

Introduction

2024 started with a bang in relation to changes in regulations, legislation and guidance. We have seen further fines in relation to AML compliance and accounts rules breaches. The SRA continue with their thematic reviews and audit visits to our firms and would expect us to be up to date when they visit. How are we supposed to keep up with the minefield of compliance in the legal sector?

Have you ever wished you could go to one place to get all your updates. Well now you can!

This is our second quarterly compliance update of 2024 – one webinar every quarter to keep you on the right track. We will be looking at all the new releases from the SRA and the regulations and guidance together with some of the key news items to learn lessons from.

I can't give you an agenda at the moment as we don't know what's going to be released but we will look at all the new changes and updates from April, May and June in this webinar.

Join us on this lunchtime session to keep you up to date!
